

Trex® Outdoor Kitchens™

WHO WE ARE

Trex® Outdoor Kitchens™ represents the finest in stainless steel cabinetry for luxury outdoor kitchens, and is designed and manufactured by CT Acquisitions LLC, manufacturer of Danver Stainless Outdoor Kitchens, under a trademark license agreement with Trex Company. For over 20 years, Danver has been the premier stainless steel cabinet manufacturer with cabinetry made to order for customers throughout the world.

From exclusive door styles and powder coat colors to standard soft-close hinges, Trex® Outdoor Kitchens™ cabinets are the pinnacle of quality, engineering, and style.

A photograph of an outdoor kitchen featuring stainless steel appliances and white cabinets. The kitchen includes a large grill, a warming rack, and a sink. The background shows a stone wall and greenery.

Stainless steel cabinets designed and engineered for outdoor kitchens where durability and style are paramount.

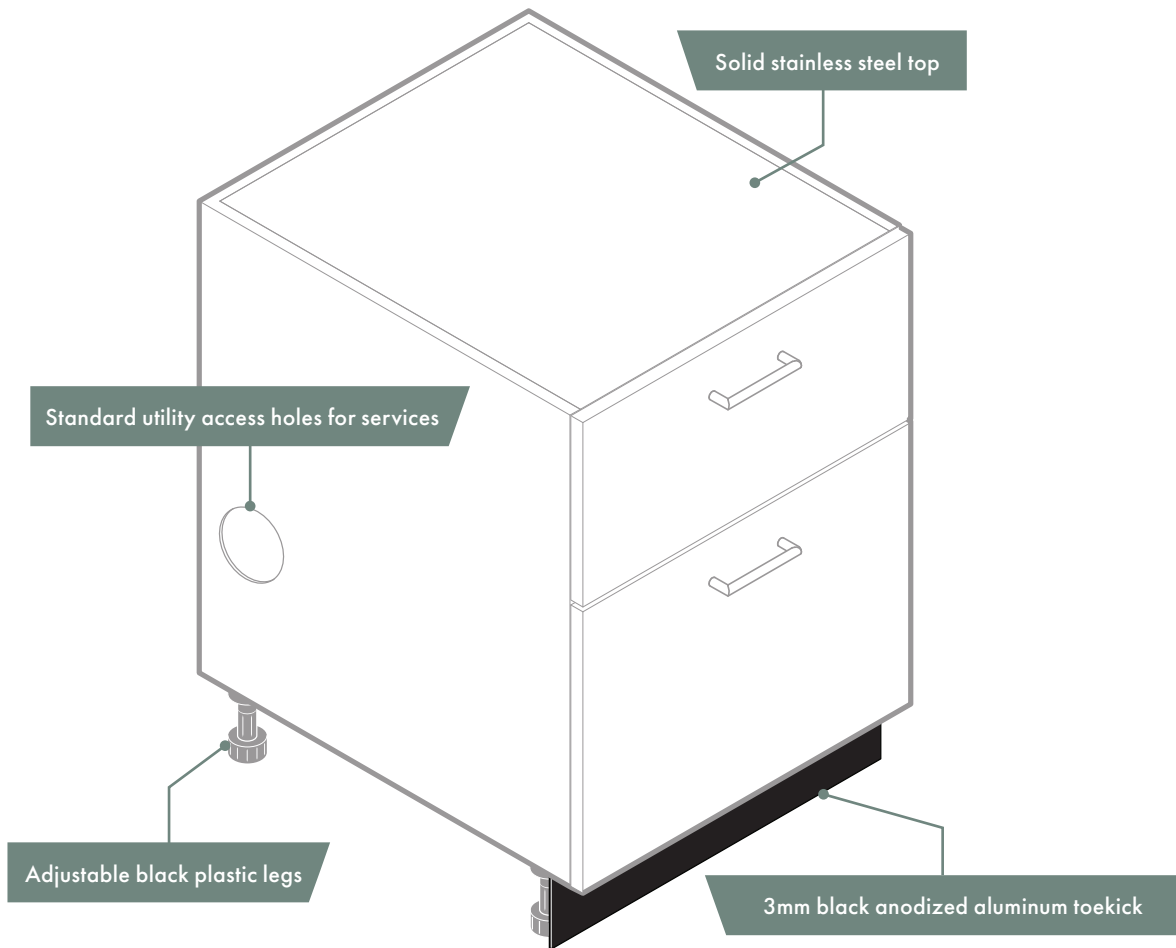

- 7-year limited warranty on powder coat
- Accommodates most outdoor appliances
- 100% Stainless Steel Cabinets

HOW IT'S MADE

CABINETS FEATURE:

- Frameless, European styling
- Doors, drawers and cabinet boxes are manufactured from 100% 304-grade stainless steel (*316-grade is also available*)
- Cabinets have a lifetime warranty
- Powder coat finishes carry a 7-year limited warranty
- Cabinetry sizes increase in 3" increments, from 9" to 48"
- Each cabinet is a standard 30" height with 4" leveling legs
- 27" standard cabinet depth (24" depth also available)
- Drawers feature double-wall construction and under-mount glides with self-close/soft-close technology
- Doors come with soft-close stainless steel hinges, magnetized closures and rain gaskets as standard
- We have cabinets to fit any manufacturer's outdoor appliance: grills, smokers, side burners, sinks, bartending units, and more
- Each project is built to order, ensuring the style, design and color are unique to your vision
- Cabinets are delivered fully assembled and engineered for fast and easy installation

Bring function and style together through our exclusive Trex Outdoor Kitchens door styles and extensive color palette. Choose a Trex door style to fit your individual taste.

DOOR STYLES

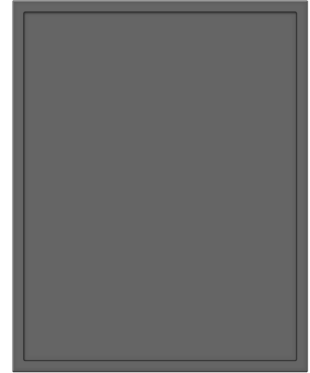

HAMPTON

Hampton is our standard solid slab door style.

KEY WEST

Key West is a five-piece shaker-style door, featuring two wide stiles and rails. The center panel can be painted to match or complement the stiles and rails.

VENICE

Venice features a flat frame with a .75" reveal and solid center.

POWDER COAT FINISHES

Trex® Outdoor Kitchens™ offers an array of unique powder coat finishes to help protect your cabinetry from harsh elements such as rain, snow, salty ocean air, and sweltering sun.

Powder coating provides a virtually maintenance-free finish by adhering directly to the stainless steel. The realistic wood grain pattern brings another level to any design.

With the ability to customize the look and feel of the outdoor living area, you can decide to blend in with the surrounding landscape, continue the indoor theme to a home or stand out with a dramatic statement color.
